In the beginning....

- During the 2014-2015 school year, ADB adopted PBIS in order to foster a positive school environment.
- A team of four went to trainings throughout the year to learn new strategies, which were presented to the staff.
- The team wrote lesson plans for a couple of areas and procedures for giving tickets.
- Staff finished out the school year partially implementing the ticket system by handing out tickets to students who were following the “ADB Way”.
- Staff also held the first PBIS/Family Reading night.

Now

- At the beginning of the 2015-2016 school year, staff fully implemented the new ticket system.
- During the first 2 weeks of school, staff and students reviewed all the ADB Way rules.
- Also added were bi weekly drawings for prizes, once a month drawings for a VIP lunch and quarterly drawings for a gift card.
- The PBIS team created posters with the rules and placed them strategically around the school.

What is in the future...?

- To implement the next level of PBIS, specific staff will be trained in regards to “check in/check out” and monitoring of student behavior.
- We will continue to refine our current procedures regarding tickets and the ADB Way.

Please feel free to ask the PBIS team any questions that you may have.
